

Welcome the Spring season with beautiful outdoor furniture

landscapeforms®

Trapezio
Seating in rare form. Two long blocks of Alaska Yellow Cedar offset to create new opportunities in urban leisure.

Tactill
A new kind of bike rack, cheerful, uninhibited and very sturdy, designed to cover the ever-increasing demand for parking for city bicycles.

Neoromantico
The classic metal and wood city bench brought up to date. Elegant and ergonomic.

True Love Outdoor chair

Keep the natural polyethylene material or personalize with fabric and a stainless steel swivel base.

Knoll Spark Chair

A perfect balance of form and function. The Chairs are pleasing to the eye, efficient, comfortable for general use, stacking and storage.

Beakers + Speakers

On Wednesday April 14th, Versia and Corporate Interior Systems hosted the beakers + Speakers event to introduce the many versatile applications of Modular Millwork products.

Modular Millwork is a perfect solution for creating custom pieces for workrooms, classrooms, exam rooms, and much more.

A special thanks to our guest speaker Arne Chardukian, for sharing with us!

Thanks Sandy and Carrie for letting us use your beautiful showroom!
